

## ABSTRACTING CANCER INCIDENCE AND TREATMENT DATA Hospital Tumor Reporting Webinar Series

The North American Association of Central Cancer Registries (NAACCR) is presenting a series of web seminars (webinars) for cancer data collectors. A webinar includes a presentation by an instructor with an audio portion (telephone) and a visual portion (computer through the Internet). Both are needed to participate in this interactive education, although in many locations the connection allows multiple participants to attend for one low cost! Participants are able to ask questions and answers will be provided during the session.

### **COURSE DESCRIPTION**

Each webinar will address cancer data collection for a specific site and will include information on anatomy, multiple primary and histology coding rules, collaborative staging, and treatment data items as required by the American College of Surgeons (ACoS) Commission on Cancer (CoC). Didactic exercises will be completed and answers with rationale will be presented. There will also be a question and answer session.

The sites to be presented include:

- Central nervous system
- Head and neck
- Lung
- Urinary system
- Colon and rectum
- Lymphoma
- Prostate
- Breast.

**Webinar series includes:** Eight webinars and each will be four hours long. The series will begin in October 2006. The eight webinars will be scheduled in the following months: October 2006, December 2006, January 2007, February 2007, March 2007, May 2007, June 2007, and September 2007. NAACCR will apply to the National Cancer Registrars Association (NCRA) for program recognition and assignment of continuing education (CE) hours for each webinar. We anticipate approval of four CE hours for each webinar.

**Subscriptions:** Only \$800 to subscribe to the entire series. Limited availability in each of the webinars can be purchased for \$175 per session after the subscription period closes.

**Subscription Period:** June 1, 2006 through August 15, 2006.

To register for or for more information about the NAACCR Hospital Tumor Reporting Webinar Series, "Abstracting Cancer Incidence and Treatment Data", contact the NAACCR program manager of education and training, Shannon Vann, CTR at [svann@naaccr.org](mailto:svann@naaccr.org).
