Hepatic & Pancreatic
Malignancy

Saturday, November 4, 2006
Jupiter Beach Resort

Jupiter Medical Center's Continuing Medical Education Program in Collaboration with the University of Florida Division of Surgical Oncology

This symposium will offer an update on multiple aspects of pancreatic and liver cancers, including epidemiology and genetics, surgical and radiation treatment, as well as treatment and advances in molecular targeted therapeutics.

Target Audience

General Surgeons
Hematologists
Oncologists
Primary Care Physicians
Radiation Oncologists
Radiologists

Program Objectives

At the completion of this symposium, attendees should be familiar with the incidence, diagnosis, and advances in management of pancreatic and hepatic malignancies.

Participants should be familiar with the prevention and lifestyle changes which could reduce the incidence of pancreatic and liver cancer.

Participants should be familiar with ongoing clinical trials and possible future research studies in pancreatic and liver cancer.

Planning Committee

- Steven N. Hochwald, M.D., UF College of Medicine
- Chester Maxson, M.D., Jupiter Medical Center
- Ronald Surowitz, D.O., Jupiter Medical Center
- Vincent Turiano, M.D., Jupiter Medical Center

Educational Grants

Eli Lilly and Company
Genentech

Keynote Speaker

Philip A. Philip, M.D.

*Karmanos Cancer Institute, Hudson-Webber Cancer Research Center, Division of Medicine and Oncology
Detroit, Michigan*

Guest Faculty

Patricia Abbitt, M.D.

*UF College of Medicine, Department of Radiology
Gainesville, Florida*

Peter V. Draganov, M.D.

*UF College of Medicine, Department of Medicine,
Division of Gastroenterology
Gainesville, Florida*

Thomas J. George, M.D.

*UF College of Medicine, Department of Medicine,
Division of Hematology and Oncology,
Director, GI Oncology Program
Malcom Randall VAMC
Gainesville, Florida*

Stephen R. Grobmyer, M.D.

*UF College of Medicine, Department of Surgery,
Division of Surgical Oncology and Endocrine Surgery
Gainesville, Florida*

Steven N. Hochwald, M.D.

*UF College of Medicine, Department of Surgery,
Division of Surgical Oncology and Endocrine Surgery
Gainesville, Florida*

Robert A. Zlotecki, M.D.

*UF College of Medicine, Department of Radiation Oncology
Gainesville, Florida*

The Jupiter Medical Center is accredited by the Florida Medical Association to provide continuing medical education for physicians.

The Jupiter Medical Center designates this educational activity for a maximum of 4.5 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Florida State Board of Nursing grants 4.5 hours of continuing education credit - 50-1123.

Credits also available for Registrars and Radiology Techs.

Time

Agenda

7:30 am

Registration/Exhibits

8:00 - 8:15 am

Introduction: Steven N. Hochwald, M.D.

8:15 - 8:45 am

Advances in the Endoscopic Management of Pancreaticobiliary Malignancy
Peter V. Draganov, M.D.

8:45 - 9:15 am

Surgical Approaches in Pancreatic Malignancy and Cystic Tumors of the Pancreas
Stephen R. Grobmyer, M.D.

9:15 - 9:45 am

External Beam Radiation, Radioactive Seeds and Proton Therapy for Pancreaticobiliary Malignancy
Robert A. Zlotecki, M.D.

9:45 - 10:00 am

Break

10:00 - 10:30 am

Advances in Radiologic Imaging of Hepatic Tumors
Patricia Abbitt, M.D.

10:30 - 11:00 am

Current Paradigms in the Management of Colorectal Cancer Metastases
Thomas J. George, M.D.

11:00 - 11:30 am

Local Therapy Options for Hepatic Malignancy
Steven N. Hochwald, M.D.

11:30 am - 12:15 pm

Lunch

12:15 - 1:00 pm

Keynote Speaker: Targeted Molecular Therapy and Other Novel Approaches in Pancreatic Malignancy
Philip A. Philip, M.D.

1:00 - 1:45 pm

Panel Discussion and Wrap-Up
